Mrs. [illegible]

Dear Lady. Mrs. L. Crozier wishes me to inform you of his affliction & inability to write. On the 24th of Aug he fell to the floor in a shock & he talked from the effects of that one day so he walked about the yard & down to the P.O. just a month from the first one he had a second one which left him paralyzed over the entire right side. He is very slowly gaining and begins to walk a little with some one to help him his right side. So he is in a way helpless, and get he finds himself with left hand after all things are prepared for him. He is up every day but must be dressed & helped to undress. It is very tough for him & each [illegible]
